THE ENA THOMAS MEMORIAL TRUST

Dr. Ena Thomas-Litchmore, MB, M.R.C.P., was a very able and greatly beloved Consultant Physician, on the staff of the Kingston Hospital for 17 years. Her untimely passing in November 1973, led to the formation of the Memorial Trust by her colleagues, her family, her friends, and the public she served so well. The Trust erected a bronze plaque to her memory in 1974 at William East Ward, in the presence of a large and distinguished gathering led by Sir. Florizel Glasspole ON, GCMG, Governor General.

The other objectives of the Trust are:

- (1) An Annual Memorial Lecture by a leading physician.
- (2) An annual Prize to an outstanding graduate nurse at the Kingston Hospital.
